Gentlemen:

On September 28, 1959, Chapin D. Foster wrote a letter to Governor Rosellini concerning the Time Capsule deposited on the Capitol grounds during the Territorial Centennial observance in 1958.

I have been given the task of rounding up information on this matter, and to date, have not found any official file concerning the contents or plans for this Time Capsule.

In order that an adequate record can be made, in Olympia, I would appreciate any information concerning this Time Capsule which you may have. Copies of correspondence, records and inventory of contents would especially be desirable. If you can suggest where I might find any official state file on this, I would like to have this information.

Very truly yours,

BERT L. COLE, Secretary
State Capitol Committee
